

Lautert, October 2021

Dear Business Partner,

we would like to inform you that on November 30, 2021, after more than 30 years of successful and trustful cooperation, we are sending our long-time representative Nick Deacon into well-deserved retirement.

"I would like to express my heartfelt thanks to all my customers in the UK and Ireland for the trust they have placed in me over the last 30 years. Representing Erlenbach in the UK and Ireland has been a real pleasure and of course I will miss the many friends I have gained both here and in Germany. I hope to have the opportunity to catch up with you from time to time! Thank you again, and I wish you all every success for the future."

Nick Deacon

The entire Erlenbach team would like to thank Nick for his engagement and his loyal partnership. We will greatly miss Nick's support and thank him for his commitment over the past decades. Erlenbach wish him all the best and good health for his retirement.

„Nick Deacon has developed Erlenbach into the leading supplier in the UK and Ireland during his time as a sales representative. Over the many years Nick has been the first point of contact for our customers in the realization of new acquisitions. Nick's dedication to ensuring an excellent supply of spare parts in the region is also worthy of mention. Personally, I appreciate Nick very much for his professional, always fair way of dealing with each other but also as a very pleasant person. I will miss the inspiring conversations with him and wish him all the best for his new phase of life! Thank you Nick."
